ABOUT US

At Verma Nursery we are avid nature lovers and passionate designers of cosy green spaces. If you long for a personal garden or a space for yourself to unwind being close to nature... all you need is a green window sill, a cosy corner may be a well designed balcony or an open terrace jungle! We create a cosy retreat with stylish hardscaping and greenscaping ... we can create a space that reflects you and your idea, to unwind and feel loved. We can give your Space a complete makeover with plants, flooring and furniture that reflects your style. Balcony Design concepts, Space planning, end to end execution, flooring, outdoor furniture , Pots and Plants and much more. We not only bring you close to nature we provide you with a holistic experience.
